

KLEARLY KOFFEE

Coffee Equipment Cleaner

Product Description

Klearly Koffee is a quick and easy way to keep coffee pots, airpots, or glass bowls clean, fresh and odor free.

Klearly Koffee is also formulated to clean urns, tea pots, plastic coffee bins, all glassware, stainless steel, porcelain and ceramic tile. Use daily to remove or prevent oil residue and mineral build-up, which turns rancid, causing bitter tasting coffee or tea.

For Use On

| | | |
|--------------|-----------------|---------------------|
| Coffee Pots | Airpots | Glass Bowls |
| Urns | Tea Pots | Plastic Coffee Bins |
| Glassware | Stainless Steel | Porcelain |
| Ceramic Tile | | |

Directions For Use

1. Shake bottle.
2. Apply 3-4 squirts (approx. 1/4 oz. per 2 gal. of liquid) into the vessel or onto the surface to be cleaned. Add very hot (not boiling) water.
3. Empty solution and rinse vessel with clean warm water.
4. Air dry or wipe clean before next use.
