## Cantilevered Countertop Dispensers

**Model #: HKS-1**  
 (Shown with S-500 stainless cylinder)

**Model #: HKS-2**  
 (Shown with RP-25-BLUE cylinders)

**Standard Features:**

- An elegant twist on a classic design
- 4" round cut-out works with Steril-Sil silverware cylinders or 30 oz. containers, both of which are offered in a wide range of color and material options
- Cantilever design creates an open back and sides to show off your cylinder or container choice
- Single piece construction, solid base with flat front
- Flat front is an excellent branding space for marketing or decoration application
- Compact design takes up little countertop space
- Light weight and portable
- 304 stainless steel construction
- 3M non-marking feet
- Made in the U.S.A.

**Product Specification:**

Steril-Sil model #HKS- Cantilevered Countertop Dispenser. Single-piece construction for durability and ease of cleaning. Features a wide flat front and open sides and back. Includes 3M non-marking feet. 304 stainless steel construction. Made in the U.S.A.
